ABOUT US

S F Services founded in Dubai - United Arab Emirates.

Started as a small business consultancy firm in 2001, strives to provide an enriched service through our exceptional understanding of the local economy, laws and procedures. Our experience in the industry has evolved us; it makes us a one- stop destination for all your business set up needs.

Now, we have three (3) business areas such as Business Setup Services (anywhere in UAE, Oman, Saudi Arabia, UK and USA and Canada), Accounting, VAT & Tax Services and Marketing & Branding Services. We also have our subordinate company, Reliable Immigration Services - Immigration service for UK, USA, Canada and many more.

From that humble start as a small office, we're now proud to have over 1000 clients and associates offices in various countries across the globe.

Whatever the requirements are, we are ready to provide our cost-effective solutions, transparency, commitments, excellent and high quality service to our clients here and abroad.

MISSION & VISION

Our Mission

.....

To achieve customer satisfaction by exceeding their expectations in affordability, quality and reliable services.

Our Vision

.....

To emerge as one of the finest regional corporate & business consultancy firm across the globe.

To provide unmatched quality service and support to our clients.

To anticipate future trends in business society serving within and outside UAE, to meet the client's needs.
